INTRODUCTION

We look forward to establish a long and mutual beneficial business relationship.

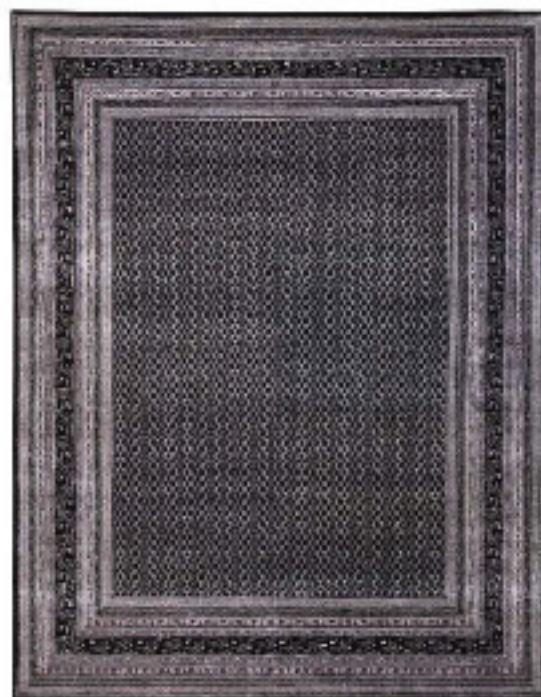

Hi, am Vishal and welcomes you to my company, OTS IMPEX PVT LTD , known globally as a reliable and experienced Handmade carpet manufacturer of all kinds. We look forward to establish a long and mutual beneficial business relationship.

This experience has been passed on to me by my forefathers who begin this tradition of manufacturing Handmade carpets purely out passion for carpets. Gathered experience in handmade carpet manufacturing has provided us a competitive edge to excel globally by providing high quality and value for money to our discerning esteem clients. We are equipped with large numbers of in house looms and in different sizes , empowered with skillful carpet artisans , expert in executing large and custom requirements of our buyers in any given sizes , designs ,patterns and quality within the agreed time frame.

WHY US

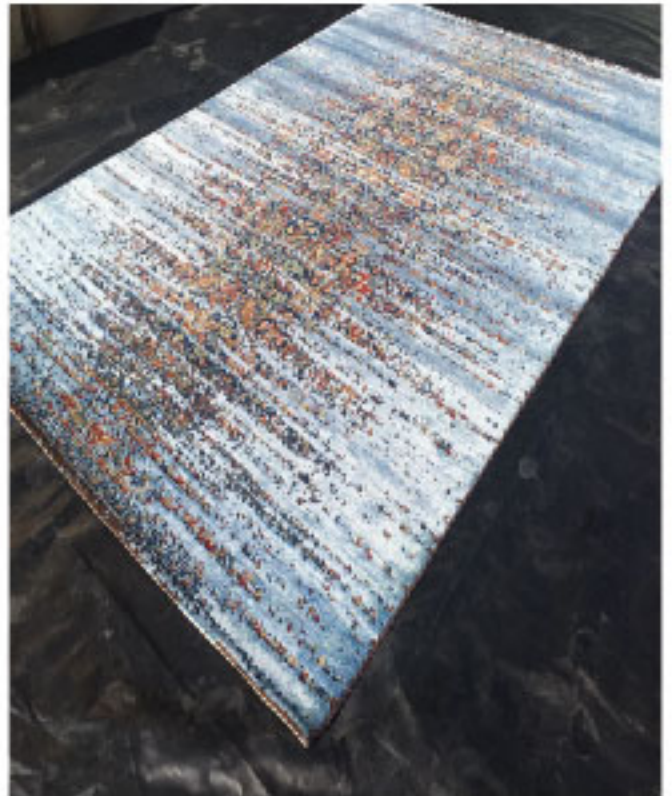

- Asset of age old expert weavers working for more than 12 years and highly expert in weaving of higher to lower knots carpet
- In house capable and expert designers to makes unique and innovative designs.
- Team of production supervisors handling expert artisans, capable to execute any quantity /design of made to order for global buyers.
- Excellent and large manufacturing infrastructure with inhouse looms , washing and stretching of carpets.
- Amongst the preferred manufacturer/ supplier for large retail stores / Art Galleries / Interior Designers globally.
- Competitive pricing, on time delivery and complying with the quality norms and standards.
- Partner for long terms growth and success.

RUGS FOREVER

- Specialist in production of Super Bidjar , Mahi Bidjar /Tabriz , Bakhtiari , Meer ,Qum , Isfhan , Mamluk and different designs of Kashans.
- Persian knots in qualities of 10/10 – 12/12.
- Made in finest of imported wool with touch of finest quality of silk , ie natural Mulberry silk / Art silk.
- Production capability of 150 – 200 sq mtrs in a quarter.
- Made in custom to regular sizes accepted world-wide.

HERITAGE CONTEMPORARY

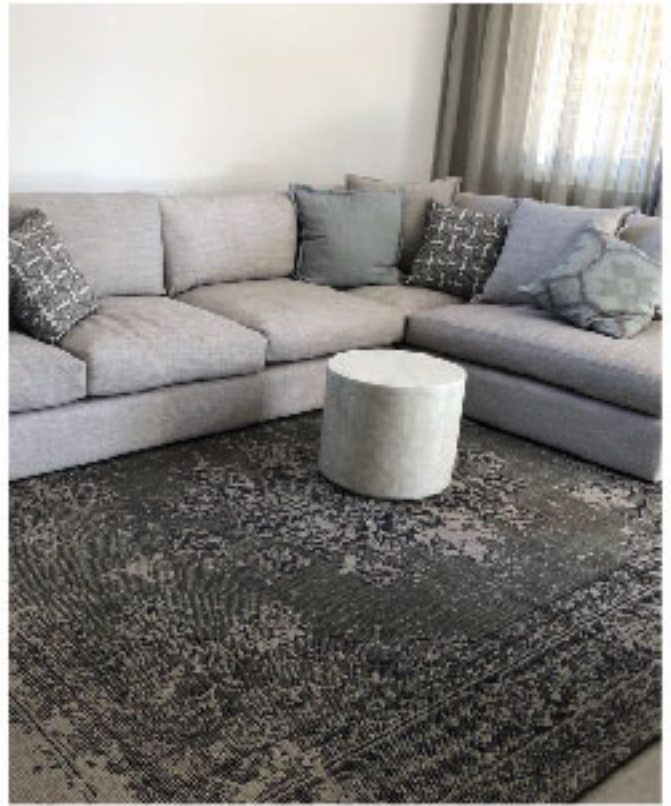

- Hand knotted in Persian knots in 10/10 quality.
- Made in Hand spun/ Semi worsted New Zealand wool along with long fibre hand spun bamboo silk.
- Every carpet goes through oxidize process (burn wool and protect silk from fire).
- Texture Finishing - Pile of wool is down and silk pile is up to create high low texture effect.
- Production capability of 200 – 300 sq mtrs in a quarter.

HANDLOOM KNOTTED

- Hand loom or Loom Knotted gets executed on looms more rapidly than hand knotted.
- Made in either 100% wool or in Art silk / Bamboo silk.
- Finishing could be in combination of loop n cut or either loop or cut depending on design.
- Double back quality provides strength and density to the carpet result in better durability and longer life even after several restorations.
- Economical and can be executed in any given custom large sizes.
- Per month capacity of 1000 sq mtrs.

RUSTIC VINTAGE

- Perfect example of rustic vintage carpet.
- Hand Knotted in Persian knots at an economical price range.
- Made of 100% hand spun New Zealand wool.
- Finishing comprised of double oxidize along with hard stone wash to make it zero pile and thus provide carpet a rustic vintage look.
- Production capability of 500 - 700 sq mtrs per quarter.

MOROCCAN

- Hand Knotted in Persian knots at an economical price range.
- Made of 100% hand spun New Zealand wool in natural or dyed wool.
- Finishing comprised of long pile in wool of 6-8 mm for Moroccans and 9-12 mm for Berber.
- Production capability of 500 - 700 sq mtrs per quarter.

HAND TUFTED

- Equipped with latest hand tufting machines and expert weavers to operate them.
- In house looms to execute standard and custom wall to wall sizes.
- Made in loop n cut weaving pattern or 100% cut / loop weaving.
- Use finest hand spun wool and staple silk to do the weaving.
- High low texture finishing given by skilled hands depending upon the design and finishing requirements.
- Per month capacity to manufacture 500- 700 sq mtrs in different density per sq mtr.

ABSTRACT COLLECTIONS

- Hand knotted in Persian / Indo – Nepalese knots with density of 80 – 100 knots.
- Made in Hand spun 50 count New Zealand wool along with long fibre hand spun bamboo silk / Art Silk.
- Every carpet goes through double wash and single oxidize depends on design.
- Texture Finishing - Pile of wool is down and silk pile is up to create high low texture effect.
- Production capability of 300 – 400 sq mtrs in a quarter.
